

BAHAMAS HOTEL & TOURISM ASSOCIATION JUNIOR HOTELIER PROGRAMME VOLUNTEER PRESENTER FORM

(Please return via email to: lallen@bahamashoteltourism.org)

Looking for a few good Men and Women.....

In One-Hour You Can Motivate a Young Person to Be a Future Leader in Our Industry....

Please know that your presentation will help to broaden students' awareness about our dynamic industry, setting their sights on pursuing at least one of the over 1,000 types of career opportunities in Tourism. To make the industry relevant, we want the students to hear from you, about your work and what it takes to succeed in our industry.

Industry professionals from all areas and occupational levels have volunteered to spend a few hours helping to inform young people of career choices, but we need more. ***If not you, then please help us identify role models and high flyers in your hotel/company who can help steer our future leaders.*** We are also seeking "adoptees" from related businesses who can host a one-hour site visitation for the Junior Hoteliers.

We are counting on your participation and support as a volunteer presenter. ***A schedule will be provided so you can choose which date/s will work for you.***

OBJECTIVES OF THE PROGRAMME

Through early exposure to the industry and interactions with industry professional, students will:

- *Explore the myriad of career options available in the industry.*
- *Engage industry professionals in discussions on industry expectations.*
- *Acquire knowledge, soft skills and awareness of industry and guests' needs and expectations.*
- *Link classroom learning and experiences to real work experiences and expectations.*
